BUILT TO LAST

We still make them like we used to. Built to last up to 25 years in the home - 10,400 cycles.

EXTRA CAPACITY

Large 92 litre stainless steel tub won't corrode, chip, pit or crack. It's not only gentler on clothes, but both the inner and outer tub come with a lifetime warranty.

WASH QUALITY

10 cycle options. Traditional full-sized flex vane agitator with extra large 210° agitation, and 68 strokes per minute provide a far gentler and superior washing result.

DURABLE

Three-coat, commercial-grade steel cabinet will look good for years to come, whilst full metal base provides stability and noise suppression.

COMMERCIAL GRADE

Heavy-duty, all metal Eversmooth transmission has only six moving parts for long lasting, durable performance.

AVERAGE CYCLE TIMES

Quick wash: 35 min.
